Boston Safe Deposit & Trust Co.

100 FRANKLIN STREET

¶The Boston Safe Deposit & Trust Co., as executor or trustee, offers elements of skill and safety in directing estates and trust funds which no individual can possess.

¶Its efficiency depends on no one man. All of the executive board act together, giving the trust fund the benefit of their combined knowledge, experience and care.

¶The cost to the estate is no more than when individuals are appointed.

¶We now act as Executors and Trustees under wills and indentures for 184 different estates aggregating over \$15,000,000.

Solicits Deposits of Firms, Corporations and Individuals. Interest Allowed

The Company now occupying banking rooms in its new building, 100 Franklin Street, is fully equipped to handle all business pertaining to a Trust Co.

Especial attention is called to the new Safe Deposit Vault, the largest in New England, which offers every known facility to those desiring safety for securities or valuables.

BOSTON'S GARDEN TREASURES

Few Bostonians realize the extensive horticultural treasures and resources within their gates. The Arnold Arboretum, one of the completest and most famous gardens in the world, is both a working place for scientists and a recreation ground for all those who love to gaze upon and who appreciate the wonders of nature. Its pleasures, moreover, are not restricted to one season of the year, for the variety of trees, shrubs and plants make its winter display as valuable as its floral glory of summer and winter. It is a place that may be visited again and again with no fear of exhausting its facilities. From the four corners of earth have been gathered numberless botanical products, and all that will survive may be found within its many acres of hill and valley, field and wood. From season to season, and from year to year, its scenes change and its products multiply through the energy and skill of the richly stored scientific minds that have it in charge.

And also the Arnold Arboretum brings together all the botanical wonders of our own section of the United States. "The Arboretum," says one of its experts, "which is a reflection in little of all New England, presents a great variety of characteristic scenes, and must impress a stranger on first acquaintance with constant surprise as he views its rapid changes of outlook while pursuing his way along its pleasant paths. Standing at the junction of the Bussey Hill and Valley roads today, I was struck again by the great, though quiet, beauty of the valley of the brook as I gazed up through its course." Hemlocks, rhododendrons, junipers, and other evergreens confront the eye, and through their midst extends a green vale down which wanders the course of a babbling brook, this being only one of many scenes that greet those who are familiar with its resources, and who never fail to take every opportunity to see and to study them.

By all means Bostonians should realize what the Arnold Arboretum offers them at all times of the year.

CARD ETIQUETTE

The significance of a card is always considered by well bred men and women, and its fitness to the occasion is an expression of its owner's individuality; in fact, the card is the beginning and the end of etiquette—the introduction and the farewell.

A written name should never be used unless the bearers' formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society her name is engraved upon her mother's card. If she is the eldest unmarried daughter she is appended as Miss Smith, otherwise her full name is given with the prefix of Miss.

When two daughters enter society together it is proper for them to be mentioned upon their mother's card together, thus:

MRS. JAMES SMITH.

THE MISSES SMITH.

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your city can be sent either by mail or messenger as preferred.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family should enclose her visitor's card with her own, in the same envelope.

When cards of introduction are given, the name of the bearer should be written above that of the giver, prefixed by the word "Introducing," and the card placed in an envelope addressed to the person to whom the introduction is made.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an "At Home" card.

A visiting card should always be left when attending an "At Home."

Any invitation requesting your presence requires an answer.

CARD ETIQUETTE FOR CHURCH WEDDINGS

Cards to a church or home wedding, followed by a reception, need no written answer if the recipient proposes to attend, unless bearing the letters R. S. V. P.

When attendance at a church wedding is impossible, cards must be sent the day of the marriage directed to those from whom the invitation comes.

If present at the church it is polite to send a card or cards to those who invite.

CARD ETIQUETTE IN WASHINGTON

Questions are asked concerning the requirements that the official element demands in Washington, and some knowledge of the etiquette of that city is necessary.

The President has absolute precedence. He receives visits—returns none.

He is addressed as Mr. President.

Any invitation extended by the President is equivalent to a command.

There was a question as to who should pay the first visit, the Cabinet officer or the Senator.

Many yield this point to the Senate. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

The wives of the United States Senators will hereafter call upon the wives of Foreign AMBASSADORS, while the wives of Foreign MINISTERS will make the first call upon the wives of Senators.

In all society, official or otherwise, the clergy take a signal position, and should always be accorded the place of honor, when present.

CARDS FOR BALLS

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party.

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions of course require exceptional cards; for such there can be no fixed rules.

WHEN TO DROP THE JR.

When a father dies leaving a son of the same name the son should omit the Jr. from his visiting card. To be correct his wife should do likewise, but as confusion sometimes arises because of the mother and wife having the same name the wife often prefers to keep the Jr.

INFANTS' CARDS

It is a pleasing custom to send a small card announcing the birth of a child.

The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with its parents' card, to which it is daintily ribboned.

A visit of acknowledgment is usual. If not possible a card is sent, with "Congratulations" written upon the upper left hand corner.

U. S. WEATHER BUREAU

Explanation of Storm Warnings

A RED FLAG WITH A BLACK CENTRE, either on the Lakes or seaboard, indicates that the storm is expected to be severe.

The pennant displayed with the flags indicates the direction of the wind: red, easterly winds (from northeast to south); white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light will indicate easterly winds, and a white light below a red light will indicate westerly winds.

The system of weather, temperature and rain signals displayed throughout the country is distinct from the storm warnings, the latter being principally for the information of the maritime interests and are displayed at the principal ports of the Great Lakes and on the Atlantic, Pacific and Gulf coasts.

Boston office, rooms 149 to 154 P. O. Building; open to public from 8 A.M. to 5 P.M.; visitors cordially invited. Telephone No, 491 Main; service 9 A.M. to 4.30 P.M. and 8 to 9.30 P.M.

J. W. SMITH, District Forecaster,
In charge Boston Station.

HURRICANE WARNINGS

For the purpose of giving warning of the approach of tropical hurricanes (and also those extremely severe and dangerous storms which sometimes pass across the Lake region and North Atlantic coasts) the Weather Bureau has adopted a special warning called the hurricane warning, consisting of two red flags with black centres displayed one above the other. (No distinctive night signal will be used.) This warning will be displayed at all Weather Bureau offices and wind-warning display stations on the Atlantic and Gulf coasts and the Great Lakes, and also at numerous other points at sea and lake ports and along the coasts mentioned.

WILLIS L. MOORE,
Chief of U. S. Weather Bureau.

For twenty-eight years the Boston Blue Book has presented in condensed and convenient form, information about the residents in the more select parts of Boston and vicinity.

The part it has played in the social life of the city, is hard to estimate. Perhaps it may be described by saying that it has come to be considered a social necessity, and is largely responsible for the meaning which the words "Blue Book" have in the public mind.
